

St. Paddy's Day Festivities Report by Spencer House Staff

Well, what a grand time everyone had, from a traditional dinner to jigs and raucous fun and laughter, as the entertainment rolled on with over 50 enthusiastic people in attendance!

Things got underway at noon, when more than 35 meals were served. Dinner was completely sold out, with several people having their names on a waiting list hoping for a cancellation.

We were privileged to have Hon. Jamie Baillie in attendance for part of the party, which started when special guests Evans and Doherty delighted the overflow crowd with a few traditional Irish jigs.

The popular band Comeback kept the atmosphere going until it was time to close, with no one ready to leave.
